TouchPointe
Privacy and Security Policy

Thank you for visiting the TouchPointe website and reviewing our privacy policy. Our privacy policy is clear: We will collect no personal information about you when you visit our website unless you choose to provide that information to us, or unless you are a paid subscriber to TouchPointe's services and you log in using your account information.

Here is how we handle information about your visit to our website:

Internet Security Policy

For site security purposes and to ensure that this service remains available to all users, this computer system employs software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage.

Unauthorized attempts to upload information or change information on this service are strictly prohibited and may be punishable under the Computer Fraud and Abuse Act of 1986 and the National Information Infrastructure Protection Act.

Information Collected and Stored Automatically

If you do nothing during your visit but browse through the website and read pages, we will gather and store certain information about your visit automatically. This information does not identify you personally. We automatically collect and store only the following information about your visit:

- The Internet domain (for example, "xcompany.com" if you use a private Internet access account, or "yourschool.edu" if you connect from a university's domain) and IP address (an IP address is a number that is automatically assigned to your computer whenever you are surfing the Web) from which you access our website;

- The type of browser and operating system used to access our site;

- The date and time you access our site;
- The pages you visit; and
- If you linked to the TouchPointe website from another website, the address of that website.

We use this information to help us make our site more useful to visitors -- to learn about the number of visitors to our site and the types of technology our visitors use. We do not track or record information about individuals and their visits.

TouchPointe Subscribers and Customer Accounts

If you are a TouchPointe subscription holders or are currently a TouchPointe customer with access to our secure areas of the site, your file download activity will be tracked and monitored to ensure the safety and integrity of your account and the data that resides within these secure locations. No other personal information is gathered, shared, or otherwise retained.

If You Send Us Personal Information

If you choose to provide us with personal information by sending an e-mail to one of our contacts, or by filling out a form with your personal information and submitting it through our website, we use that information to respond to your message and to help us provide you with information that you request. If you submit your resume through our website, we use your personal identification information only in considering your application for employment. We do not collect personal information for any other purposes. The information you provide is not given to any private organizations or private persons. TouchPointe does not collect or use information for commercial marketing.

Links to Other Sites

Our website has links to other organizations, with their permission. Before leaving the TouchPointe website, a page will appear informing you that you are leaving our server. Once you link to another site, you are subject to the privacy policy of the new site.
